The San Bernardino Air Materiel Area Comptroller will lose one of its most valuable and ablest people when Roy M. Gorin leaves Norton Air Force Base to assume a position of more responsibility with the Middletown Air Materiel Area in Pennsylvania.

From an Air Materiel Command and Air Force-wide search for eligibles, he was selected to

become deputy to the assistant comptroller for Data Systems, to assume full operational responsibility for the entire data processing complex of the Middletown Air Materiel Area.

Supervisory administrative officer, data processing division, Comptroller, SBAMA, is Gorin's official title at Norton AFB. He is also chairman, SBAMA Materiel Repair System, Management

He and his wife, De De, live at 941 Sierra Aye., while his son, Douglas, 12, is living in Big Bear City.

Gorin came to SBAMA in Feb-
